2021

ARBURG

Dear Customers,

Thank you for the continuous support and interest in ARBURG.

We, at ARBURG, are committed to ensure that our customers are continuously enjoying the exclusive benefits of being properly trained in utilizing our machines to their fullest potential. Through our regular educational program, we provide you training courses that will fully help your staff to acquire the practical knowledge to realise the full potential of the ARBURG ALLROUNDER machines. All our training courses are conducted by our team of very experienced instructors who will be able to impart to you their valuable knowledge skills acquired over the years.

In the training program brochure, you can find all the related information to the different courses and decide which ones may be suitable for your staff.

Also available upon request, is the possibility to provide on-site training at customer's place. Please do not hesitate to contact us if you are interested.

We look forward in welcoming your participation in our training courses.

Yours faithfully,

Chang Kin Low
